COMMENTS

Aurora Media, LLC. ("Aurora"), permittee of a new FM station on Channel 233C at Caliente, Nevada, and Petitioner in the above-captioned proceeding, by its attorneys, hereby states its continuing interest in the deletion of Channel 233C at Caliente, Nevada and its reallocation to Moapa, Nevada. In addition, Aurora hereby reaffirms its present intention to apply for modification of its permit to specify Moapa as the new city of license if Channel 233C is allotted to Moapa and, if its application is granted, to construct a station promptly.

For the reasons set forth in its petition for rule making, which is incorporated herein by reference, Petitioner asserts that the public interest will be served by this allotment and initiation of FM broadcast service on channel 233C at Moapa, Nevada.

Respectfully submitted,

Marnie K. Sarver
